

Zannya Africa Foundation

Internship & Career Opportunities

Internship Description

About Us

Zannya Africa Foundation is a non-profit organization dedicated to empowering communities through education, innovation, health awareness, climate action, and youth leadership. We operate across several African countries, delivering impact-driven programs and fostering global partnerships.

Internship Program Overview

We offer dynamic internship opportunities for students, recent graduates, and young professionals seeking real-world experience in the development and non-profit sector.

Duration: 3 to 6 months

Location: Remote & On-site (Uganda HQ and partner locations)

Start Dates: Flexible

Departments Available:

Communications & Public Relations

Community Outreach & Advocacy

Environmental Programs

Monitoring & Evaluation

Fundraising & Partnerships

Research & Innovation

Technology & Web Development

 Responsibilities

Depending on the department, interns may be assigned tasks such as:

Assisting in project planning and reporting

Creating digital content and managing social media

Conducting field research or surveys

Supporting donor engagement and proposal writing

Coordinating with local and international partners

Assisting with data analysis and presentations

Supporting administrative and logistical operations

What We Look For

Passion for social impact and community development

Strong written and verbal communication skills

Self-driven, proactive, and reliable

Good organizational skills and attention to detail

Familiarity with MS Office, Google Workspace, or other relevant tools

Ability to work independently or in a diverse team environment

☀️ What You Gain

Hands-on experience in real-world development work

Certificate of Completion and Letter of Recommendation

Consideration for full-time roles and ongoing consultancy work

Exposure to a vibrant network of professionals and partner organizations

Personal and professional growth through mentorship

Testimonials

> “My internship with Zannya gave me a platform to make an actual difference in my community. I learned new skills, built strong networks, and found my purpose.”

— Grace N., Former Environmental Program Intern
