

Zannya Africa Foundation

Progress & Impact Report

Reporting Period: January – July 2025

Date of Release: July 31, 2025

About Zannya Africa Foundation

Zannya Africa Foundation is a nonprofit organization dedicated to empowering young people through education, innovation, and community engagement. We work across Kenya and neighboring regions to provide opportunities that uplift youth and build sustainable futures.

Vision & Mission

Vision:

An Africa where every young person has the tools, skills, and platform to innovate, lead, and transform their community.

Mission:

To empower youth through access to education, innovation hubs, and leadership development

programs.

Summary of Activities (Jan–Jul 2025)

Activity Area Key Achievements

Innovation Hub Launch Setup completed for Nairobi hub, opening Aug 15, 2025

Youth Trainings 340 youths trained in digital skills & entrepreneurship

School Partnerships 5 schools onboarded for STEM outreach

Community Engagement 12 local events hosted, 1,500+ attendees

Volunteer Mobilization 40 new volunteers trained and deployed

Highlight: Innovation Hub – Nairobi

We are proud to announce the near-completion of our flagship Innovation Hub in Nairobi. This facility will offer:

Coding bootcamps

Business incubation

Mentorship programs

Co-working space for young innovators

Opening Date: August 15, 2025

Youth Testimonials

> “I’ve never used a computer before this training. Now I can build websites!”

— Amina, 19, Training Participant

> “Zannya Foundation changed my outlook. I now mentor younger girls at my school.”

— Brian, 17, STEM Club Leader

Budget & Resource Summary

Budget Category	Amount (KES)	% of Total
Training & Materials	1,200,000	40%
Facility & Equipment	900,000	30%
Staff & Operations	600,000	20%
Events & Outreach	300,000	10%
Total	3,000,000	100%

Partnerships & Collaborations

We are grateful for ongoing support from:

Local school boards

Nairobi County Youth Office

Digital Africa Network

Private tech mentors and donors

Challenges Faced

Limited access to reliable internet in remote training sessions

Increased demand exceeding current training capacity

Rising costs for equipment and resources

Upcoming Plans (Aug–Dec 2025)

Official launch of the Nairobi Innovation Hub

Rollout of mobile training units for rural areas

Expansion to two additional counties in Kenya

Launch of the Zannya Girls in Tech program

 Thank You

To our partners, donors, volunteers, and the communities we serve — your support powers everything we do. Together, we are building a stronger future for Africa's youth.
